## CHAIRMAN'S MESSAGE

---

Name

Over the years, the field of Pharmaceutical science has grown with research & development. This profession has a large socio-economic relevance to the Indian economy. It is committed to deliver high quality drugs & formulation at an affordable price to the general population. With this vision, Illambazar Educational & Welfare Society decided to establish Illambazar Institute of Pharmacy, so as to provide an opportunity to the semi-urban & rural youth of Birbhum district to develop & create a better tomorrow.

The vision of our institution is 'Knowledge is power'. We envision the development of an institution, which provides highly proficient technical education & knowledge. It is our mission to inculcate in our students good human values & provide them opportunities to realize their potential to the fullest.

I Hope our information brochure will provide you with sufficient information to meet our needs as well as introduce you to our aspiration, achievements, career opportunities & advantages of being at IIP.

I invite you to browse through our information brochure to get acquainted with us & go on to become dedicated & knowledgeable pharmacy professional, responsible citizen of our great nation.

## MESSAGE FROM SECRETARY

---

Name

As a wise man says, “There are two types of Education... One should teach us how to make a living, and the other how to live,” Without striking a fine balance between the two, the result is going to be nothing less than a disaster. Illambazar Educational & Welfare Society provides the opportunities to experience the subtle abstraction and inherent beauties of life by organizing various cultural activities.

Illambazar Educational & Welfare Society, Birbhum running various institutions, housed in fully developed campus, imparting education to over hundreds students. The location of these campus is in pollution-free lush green and picturesque environment conducive to learning. All institutions enjoy the services of vast intellectuals that comprises of eminent personalities drawn from the field of pharmacy. Nursing, Education etc. We have made incredible progress in a very short span of time. All the institutes have excellent infrastructure and we keep on upgrading these facilities.

Illambazar Educational & Welfare Society motto-Discipline, Dedication, Determination and Commitment are the four core pillars to focus. These govern on each of its action, deeds and practiced amount students, employees and administrators of the institute. Even in today higher education is not a fundamental right but it is considered as a distinct opportunity which is not available for all, with due reasons our institution has an obligation to make this opportunity easier to access for all.

## PRINCIPAL'S MESSAGE

---

Name

I am pleased that you are considering IIP for next step in your career.

I would like to warmly welcome you as the country's premier Pharmaceutical institute established IIP with wide mission to impact high quality pharmaceutical education through innovative & interactive learning process for establishment & their social image as well as help them to with stand in global competitive environment.

Our Student are pruned in such a way as to integrate their knowledge to the real time problems of business and industry. The alternative teaching learning methodology followed in our institute have equipped and empowered them to undergo challenges in their life and career. We inculcate the value of professionalism, ethics, devotion and commitment which will help them to have proper composure during the turbulence to their personal and professional life.

Throughout academic year, we provide opportunities for students to participate in many co-curricular & extracurricular activities & urge parents to stay closely involved in education of their children. The key feature is emphasis treating & attending all our students as individuals. We sincerely desire that our students pass out from this institution with not just a degree in D.Pharmacy, but as healthier human being, realizing that pharmacy & its related professions are among the most noble & honourable calling that one may seek.
